

Charles C. Boettcher is Vice President and General Counsel of Waste Management. He formerly served as the Executive Vice President, Chief Financial Officer and General Counsel of Oilfield Water Logistics (November 2015 – August 2016) and as Senior Vice President, General Counsel, Chief Compliance Officer and Secretary of the general partner and other entities in the Eagle Rock Energy Partners, L.P. enterprise (2007 – 2015), which was affiliated with NGP. Before joining Eagle Rock, Mr. Boettcher practiced law at Thompson & Knight, LLP, serving as an associate from 1999 through 2005 and as a partner from 2006 to August 2007. Over the course of his eight years at Eagle Rock, Mr. Boettcher's roles and responsibilities included managing legal, regulatory, compliance, EH&S and insurance functions, and Mr. Boettcher played a key role in setting and administering strategy and negotiating and executing financings, mergers, acquisitions and dispositions. During his eight years at Thompson & Knight, he worked in the Corporate and Securities department, was a member of the Energy practice group, and focused his practice on private equity and mergers and acquisitions in the oil and gas industry, as well as securities compliance and disclosure for public companies. He received a BS in Business Administration from the University of South Dakota and a JD from Texas Tech University School of Law.
